Three Palms Media – Your Orange County SEO Consultant

SEO. PPC. Facebook. Twitter. Are You Sick of Trying to Stay Current with the Latest Online Marketing Secrets When ALL You Want is for People to Find YOUR Website?

Who could blame you?

Heck, if you're anything like most small business owners, you're already wearing 16 different hats, you have a weekly to-do list longer than a stretched limo, and you pour any "spare" energy you've got left over into marketing so you can keep prospecting for new customers. After all, customers are the lifeblood of your business!

But take heart. We can hear you sighing just reading this, and it doesn't have to be that way.

As you might have guessed, the key is to use leverage to broadcast your business message to

those most hungry to buy—and we don't mean with that 4-inch-thick paper brick known as the local Yellow Pages either! Sure, you may get some leads that way, but you could be doing FAR better online with just a few tweaks to your website and your strategy.

That's where we come in as your Orange County SEO Consultant.

My name is Ingo Haupt and I am the founder of Three Palms Media. We are an *Orange County based SEO consultant* and we love helping small businesses make much more money with way less stress. (It's why I founded Three Palms Media!) How? Well, the exact strategy depends on your specific business, but here are the 5 key strategies we use as a **SEO consultant** that work over and over for ALL business types:

- [Getting You Top-Ranked in Google Through Search Engine Marketing](#)
- [Buying Qualified Leads Directly](#)
- [Share Cool Stuff & Connect with Your Customers](#)
- [Building a Fan Base of Loyal Followers through Social Media](#)
- [Track the Exact Results of All Your Online Marketing Effort](#)

We cover all aspects of traffic generation to get help your target audience to find you and convert into happy customers. No matter if it is [SEO](#), [PPC](#), [blog marketing](#), [social media marketing](#) or [web analytics](#), we have you covered online. Many [SEO consultants](#) keep their clients in the dark so they can charge them high fees for basic services. We believe this is very unethical. That's why we educate our clients about everything we do and make sure you understand what you pay for.

All search engine marketing programs are based on your goals and developed individually
